Jordan Lee

Full-Stack Developer | Bootcamp Grad | Ex-Barista
Seattle, Washington, United States

Summary

Career changer who builds web apps end to end. I like small teams, fast feedback, and shipping things people use.

Experience

Zillow
Software Engineering Intern
June 2024 - Present (4 months)
Seattle, Washington
Built React components for the listings page and cut load time by 20%.
Starbucks
Shift Supervisor
March 2019 - May 2024 (5 years 3 months)
Ran a team of 8 and trained new baristas.

Education

General Assembly
Software Engineering Immersive · (2024)
